

Greetings from Navy Information Operations Command (NIOC) Texas! On behalf of the Commanding Officer and the Sailors of this fine command, I extend a warm "Welcome Aboard". Our command mission is to provide Cryptologic and Information Warfare Support to Fleet, Joint, and National Commanders, as well as provide administrative support to over 500 Sailors working in a multi-Service environment. Abundant opportunities for professional and personal growth will help make this one of your most rewarding and challenging assignments.

Located at the northern edge of the Gulf Coastal Plains and the southern edge of the Texas Hill Country, San Antonio is one hour from Austin, two hours from the sandy white beaches of Corpus Christi, three hours from Houston, and less than five hours from South Padre Island. San Antonio is home to the Alamo, the River Walk, Six Flags Fiesta Texas, Sea World, the San Antonio Spurs, and many other sights. There are also many educational opportunities with a number of colleges in the local area.
